

The JCC girls golf team made strides of improvement at the Tri County Invite. Sophomore Vanessa Jimenez led the way for the Thunderbirds by medaling in 13th place out of approximately 50 golfers.

“Three of our five varsity golfers were playing in their first 18-hole competition today. Those golfers had some ups and downs throughout the day, but gained some valuable experience competing at the varsity level. Everyone on the team has been making steady improvement, and their scores are getting lower”

JCC Individuals:

Vanessa Jimenez 56 – 51 = 107
