SUPERINTENDENT NOTES by Jack D. Moles

SUPERINTENDENT NOTES by Jack D. Moles

The end of another successful school year has overcome us. As usually happens, it felt like we had just started the second semester, then all of a sudden it was mid-May and we were dismissing students for summer. Of course, it was especially meaningful for me as I will soon be ending my time with JCC.

Our last gathering as a staff will be an all-staff luncheon and a recognition ceremony. At this event I like to take a lighthearted look back at our school year, as well as take an opportunity to recognize those staff members who will not be with us next year either as a result of retirement or moving on to another position. We recognized six such individuals this week. Those staff members were:

WENDI BUGGI—Mrs. Buggi taught High School English for the past two years. She also was the sponsor for Play Production and the School Play. She roped me into a “starring” role as the School Superintendent in this year’s play, “It’s a Wonderful Life”. She will be moving with her family to Nebraska City, where she will teach at Lourdes Central Catholic.

KAITLYN BUSS—Mrs. Buss has taught Spanish in the high school for four years. She also coached high school volleyball and basketball. She is moving on to a similar position with Deshler.

KRIS FARRIS—Mrs. Farris has taught High School English for the past four years. She was also the Annual sponsor. She is retiring to spend more time with family (especially those grandkids in Arizona).

JESSICA FERGUSON—Mrs. Ferguson has taught High School Science for two years. She also helped coach volleyball. Mrs. Ferguson will be moving with her family to Lincoln and she will teach at Lincoln Christian.

MYRANDA LEWIS—Ms. Lewis taught 6th grade Math and Science. She also helped with English Language Learner teaching in the middle school. She is moving to Omaha, where she will teach in a public school.

JEFF ROBESON—Mr. Robeson taught Middle School Social Studies. He also coached Middle School Football. He actually left us in early April as he took a job with the railroad.

KIM MUELLER—Mrs. Mueller has been serving as the district’s Speech Pathologist. She is technically not leaving the district, but she will not be here next year. She has been granted a one year sabbatical as she will join her husband in California as he works on an advanced degree. The plans are for her to return for the 2019-20 school year.

I wish these seven individuals much luck and happiness in the future. Each had a large, positive impact on our school and we are very appreciative. Our school was a better school because they were part of it.

SUMMER MONTHS

Students, and probably parents, are ready for the relaxed atmosphere of summer. They get the opportunity to get out of the school routine and not be as tied to timelines. However, a complete abandonment of routine, academics, and discipline can be very counter-productive as kids near the return to school in August. For that purpose, I would like to pass on a few tips that may help students and parents to deal with summer:

- Do keep some routines in place. The most obvious in preparation for the beginning of a new school year would be to maintain regular bedtime hours and to have those hours close to what the school year hours that are normally maintained. Other routines that should be maintained might be chores and regular meal times.
- Expect your child to maintain summer reading and academic pursuits. Carl Pickhardt, a psychologist who is a regular contributor to Psychology Today, suggests that four hours a week is a very attainable goal for academics. Do encourage your child to read grade/age appropriate materials regularly during the summer.
- Limit the hours of screen time (TV, computer games, computers and iPads, cell phones). Pickhardt recommends that this time be limited to no more than 15 hours per week during the summer. Most appropriately, he said, “A kid playing by himself in a dark room—I just don’t think that should be the summer experience.” I also read an article recently in which the writer said that her son was never a big reader until she limited the amount of screen time he had. Once he had to fill his time in another way he started to read more. It would be a good strategy to set the exact times in a given day that screen time can be accessed.
- Encourage your child to get outside for exercise, play, and exploration every day if possible. Mental improvement is needed, but so is the too often overlooked physical improvement.
- One strategy to try would be to encourage your child to attempt a new hobby. This would serve to hold his/her interest, but also to continue to learn in an active manner.
- Take advantage of camps. These can be in many forms: Vacation Bible School, sports camps, academic camps, or 4-H camps for example. All serve to provide great learning experiences, opportunities to build on skills, and learn to interact with others.
- If your child is in high school and expects to play sports during the school year, expect him/her to take part in the camps and leagues that are available, as well as getting into the weight room or conditioning program on a regular basis. The days of competing on a high enough level without taking part in summer activities really disappeared many years ago. The teams that are the most competitive do not depend on natural ability alone. I know that our opposing schools will have their athletes involved during the summer—ours should be as well. There are regular weight room hours in which coaches are present. If you as a parent do not know those hours I recommend finding out what they are.
- Provide short day trips as learning experiences and family-bonding opportunities for your child. There are many great area sites that would provide for fun-filled and educational opportunities. Examples include Henry Doorly Zoo in Omaha, Homestead National Monument in Beatrice, Arbor Lodge and the Lewis and Clark Center in Nebraska City, Morrill Hall and the Children’s Museum in Lincoln, and the Air and Space Museum in Ashland.

I think summer should be a fun time for kids, but should not be a time that they abandon everything to do with school. I especially encourage them to have fun with their parents.

JOHNSON COUNTY CENTRAL PUBLIC SCHOOLS

PO BOX 358

TECUMSEH, NE 68450

ANNUAL REPORT

MAY, 2018

This annual report for the Johnson County Central Public Schools district was compiled as one of the requirements of the Nebraska School Accreditation Standards to be met in Nebraska Department of Education, Rule 10. It is distributed annually via the school district newsletter to all school patrons.

SCHOOL DISTRICT GENERAL INFORMATION

History

Johnson County Central Public Schools came into existence as a result of a merger between Tecumseh Public Schools and Nemaha Valley Schools in May, 2007.

Accreditation

Johnson County Central is fully accredited by the Nebraska Department of Education. Each fall our school completes reports to indicate accreditation standards have been met. A thorough self-study involving school staff, students and district patrons must be completed to meet Rule 10 Requirements. The School Improvement Team is currently working on the self-study. Johnson County Central also has attained AdvancEd Accreditation.

Activities

Membership is maintained in the Nebraska School Activities Association (NSAA) which governs Nebraska high school extra-curricular activities. NSAA assigns schools to various classifications for competition based on each member school's fall boy-girl enrollment count in grades 9-11 and the number of schools involved in each activity. This year NSAA has placed Johnson County Central in the following classifications: Track, Music, Golf, and Wrestling (Class C); and Football, Basketball, Volleyball, Play Production and Speech (Class C-1). JCC is Class D in Cross Country. JCC participates in NSAA-sponsored Unified Bowling. JCC also co-ops Soccer with Nebraska City in Class B.

Johnson County Central is a member of the East Central Nebraska Conference. Other members include Auburn, Conestoga, Elmwood-Murdock, Freeman, Louisville, Malcolm, Mead, Palmyra, Weeping Water, and Yutan. JCC also takes part in MUDECAS activities. Other member schools in MUDECAS include Bruning-Davenport, Diller-Odell, Exeter-Milligan, Falls City Sacred Heart, Freeman, HTRS, Johnson-Brock, Lewiston, Meridian, Parkview Christian, Palmyra, Pawnee City, Southern, Sterling and Tri-County,

Size of District

The district encompasses 296.7 square miles with 188.2 square miles in Johnson County; 8.2 square miles in Nemaha County; 91.5 square miles in Otoe County; and 8.8 square miles in Pawnee County.

Facilities

Three main facilities are utilized by the district. The high school is located in Tecumseh. Also located in Tecumseh is a PK-3 elementary facility. In Cook a PK/4-8 facility is utilized.

The elementary building in Tecumseh was completed in 1931. The high school building was constructed in 1964-65. The main part of the building in Cook was finished in 1958, with additions completed in 1999.

Most asbestos was removed from all school buildings many years ago. Except for some non-friable asbestos in floor tile and in above ceiling duct work, the buildings are asbestos free. Pipe insulation that contains asbestos in the high school building has been coated according to regulations.

Faculty/Support Staff

The students of Johnson County Central are served by 43 teachers, six special education teachers, two full time Title 1 Reading and Mathematics teachers, one English Language Learner teacher, one Library/Media specialist, two Guidance Counselors, one Alternative Education teacher, three building Principals, one Superintendent of Schools and the following support staff members: four bus drivers, one full-time head cook and five part-time kitchen helpers, two full-time maintenance persons, five full-time secretaries, 15 teacher aides, one Business Manager, one technology aide, and one school nurse. Johnson County Central contacts with an outside source for custodial services.

School Board

The school district is being governed by a six member Board of Education. Each member's term of office is four years and members are elected at-large. Members of the current Board of Education are: Arlin Beethe, Susan Borcher, Teresa Goracke, Greg Hunzeker, Rebecca Plager, and Kim Wellensiek. Board officers for 2018 are Greg Hunzeker (president), Susan Borcher (vice-president), and Kim Wellensiek (treasurer). Superintendent Jack Moles serves as the Board secretary, while Laurie Badertscher is the appointed board recording secretary.

Strategic Planning/Mission Statement

The mission statement of the school is: **JCC: Journey of Excellence; Creating Lifelong Learners; Citizens for Tomorrow**

The following governing beliefs have been adopted by the school:

- Demonstrate exceptional educational instruction and learning.
- Present a safe and drug-free setting that fosters the desire to learn.
- Encourage progressive relevant student involvement.
- Respect the contributions of all.
- Integrate technology throughout the curriculum.
- Focus on developing problem solvers in the classroom.
- Stress global perspective and the appreciation of diversity.
- Promote the value of the arts and extracurricular endeavors as integral parts of the curriculum.
- Prepare students to contribute positively in the family, school, community and the world.
- Instruct and demonstrate respect for the environment.
- Establish a partnership of service between school and community.

School Improvement

Johnson County Central Public Schools participates in the Nebraska Frameworks school improvement process. The school improvement goal is as follows:

“Johnson County Central Public Schools will improve reading comprehension through the direct and explicit teaching of vocabulary.”

In the spring of 2016 Johnson County Central hosted an AdvancEd external visitation team. The team surveyed the work of the district toward meeting the school improvement goal and also provided suggestions for working toward the goal.

Instructional Goals and Objectives

The primary goals and objectives of the Johnson County Central Public Schools shall be to provide all the children of the district with the best education possible, wherein each may develop wholesome attitudes, ideals, and concepts for better living in our democracy.

Education in Johnson County Central must serve the individual pupil in the light of his/her capacities and abilities and provide a suitable and well balanced learning environment in the areas of physical, mental, emotional, cultural, social, moral, and spiritual maturity.

The school shall be concerned with students acquiring knowledge in their subjects, but also taking into consideration the interest of the children themselves, their growth, interests, needs and unique personalities.

It is the primary responsibility of Johnson County Central to provide pupils the nature and meaning of democratic values and to help the children develop a loyalty to those values through personal commitments.

ACHIEVEMENT TESTING

This information is being reported as required under provisions of Nebraska Department of Education (NDE) Rule 10: Regulations for the Legal Operation of Schools & Johnson County Central Board of Education Policy.

MIDDLE SCHOOL & ATHLETIC NEWS BY RICH BACON

Congratulations to our State Track Qualifiers: Maddie Moran – 100m Dash & 200m Dash; Aleisha McDonald – Pole Vault, 3200m Run, & 800m Run; Hailey Clark – High Jump; Monica Hippavong – Shot Put; Aleisha McDonald – 3200m Run & 1600m Run; Simon Rother – Shot Put; Josh Bailey – Discus. Go Thunderbirds!

Also, congratulations to Tyler Bartels who finished 3rd at the C-1 District Golf Meet held at Woodland Hills, earning himself a spot in the Class C State Meet on May 22 & 23 at Kearney Country Club. Go Thunderbirds!

The Middle School Academic Awards Program was held on Wednesday, May 16th, in the Middle School gym. Many students were recognized by their teachers for academic achievements and other accomplishments that were earned throughout the year. Eighth graders Kaita Baird, Jonathon Duncan, Gina Golden, Madelyn Harrifeld, Treyton Holthus, Vanessa Jimenez, Dakotah Ludemann, Madison Pingel, Shayla Thompson, Emma Straka, Emma Swanda, Emma Walters and Fransisco Xayaphonesongkham were announced as winners of the prestigious President's Award for Educational Excellence. This award recognizes academic success in the classroom as each of these 8th grade students maintained a grade of 90% or above throughout the school year and scored in the 85th percentile on a national assessment in math or reading. Each of these students was honored with a letter of congratulations from President Trump, a certificate of achievement and a pin. *Madelyn Harrifeld was awarded the 8th annual Woodman American History Award presented by Jennifer Shirk of Woodmen of the World to the 8th grader who best demonstrates a passion for American History. Seventh graders Sierra Hergenrader, Jacob Liscomb and Aiden Weber qualified for the Duke University Talent Identification Program. Duke TIP works with students, families and educators to identify, recognize, challenge, engage, and help students reach their highest potential. Aiden's composite score qualified him for the Duke TIP summer program and earned him an invitation to their recognition ceremony. Eighth Graders Kobe Wilken and Fransisco Xayaphonesongkham and seventh graders Judy Kim and Melissa Lowther received recognition for perfect attendance this past school year. This is the second straight year of perfect attendance for Fransisco. Great Job, Fran! Middle School students Kaita Baird, Madelyn Harrifeld, Treyton Holthus, Emma Straka, Erika Cabrales, Hayden Huskey, Aiden Weber, Steven Baumgartner, Ava Buggi, Priscila Cabrales, Wyatt Ludemann, Sunnie Rother, Bailee Sterup, Maya Straka, and Sergio Valles were recognized for academic excellence for both the 1st and 2nd semester in the classes that give semester grades. These students earned a place on the Honor Roll w/ Distinction for both the 1st and 2nd semesters. These were just a few of the students to receive recognition for their academic achievements. Congratulations to all students for the many wonderful accomplishments that were achieved this past school year.*

All students, grades 9-12 who plan to participate in NSAA sponsored activities during the 2018-2019 school year need to turn in a signed Parental Consent form. This must be done before a student is eligible for practice and competition in any activity that is under the jurisdiction of the Nebraska School Activities Association. The participating student and one of his/her parents or guardians must sign the certificate of consent and turn this certificate into the school office. By signing this consent form parents and students acknowledge that they understand there are risks involved in any activity. This parental consent form must be on file at school for every student who participates in NSAA activities.

Each student, grades 7-12, who expects to participate in athletic contests shall present to the superintendent, principal, or school representative once each year, before actual participation in any interschool sport, a physician's certificate on a form recommended by the NSAA that he/she is physically fit for athletic participation. This physical examination must be given during the school year in which the student participates or during the summer vacation period which precedes the school year in which the individual participates. Also, all incoming 7th graders, freshmen and juniors must complete the ImPact Concussion test to establish a baseline in the event of a head injury. This test will be conducted by school officials and must be done before an athlete is allowed to practice or participate in a contact sport (football, volleyball, softball, basketball, wrestling, jumping events in track & field).

Parental consent forms were included with each student's report cards and physical evaluation forms can be picked up in the office at both sites. Please contact the school if you need either of these forms. All athletes who plan to participate in a fall sport need to take care of this prior to the beginning of fall practice on August 6, 2018.

I hope everyone has a safe, enjoyable summer.

- Mon. June 4—Summer breakfast & lunch programs begin.
- Wed. June 13—School Board Meeting, 7:30 p.m., Cook site.

Making Summer Gains

- Read with your children.
- Read to your children.
- Have your children read to you.
- Have your children read independently.
- Visit historic sites and/or museums; go on the tour, read about the site to your children and discuss it with your children.
- Play games together inside and outside.
- Go on nature hikes, find and identify plants, animals and insects.

While traveling in the car to various destinations or ball games:

- Eliminate the devices (tablets/phones/televisions, etc.) and have a conversation.
- Read.
- Work on attention span by having your children look for landmarks or wildlife.
- This can be made into a competition by giving an award (ice cream cone, \$\$, etc.) to the first person who sees what you've indicated.

All of these activities will help build your child's vocabulary, reading skills, social skills and knowledge of the world they live in. They will also help to build strong relationships with your children and memories you can all cherish!

Johnson County Central Middle School Fall Walk-Through Wednesday, August 15th 6:00 pm @ Cook site

To: 6th, 7th, & 8th Grade Students and Parents

Middle School is a critical step in a student's education. It presents new changes and challenges. We hope to help make this a smooth transition with the Fall Walk-Through by allowing students to see their schedules, find their rooms and lockers, and meet with their teachers. This time will also allow the parents to see what is expected of their children in each class regarding homework, lecture notes, deadlines, note taking, etc.

The Fall Walk-Through will begin at 6:00 pm in the commons area where students will receive their 2018 - 2019 schedules as well as forms to be completed. Following a short welcome in the main gym, students and parents will be dismissed to the student's 1st period class. Each period will meet for approximately 5 minutes. During this time teachers will explain their expectations and guidelines for their classes, plus provide an opportunity for parents and students to ask questions. After the last period, forms will be collected in the commons area and a limited amount of supplies will be available for students to purchase. All students are expected to come prepared for each class with paper, pencils/erasers, pens, highlighter, Kleenex, etc. **Student Planner/Assignment Books and Handbooks will handed out to all students the first day of school.*

Lunch money will be collected in the commons area following the Walk-Through or students may bring money for lunches the first day of school. All lunches are to be paid in advance. **Free & Reduced lunch applications are available.*

School physicals are required for ALL students entering the 7th grade and immunizations must be up to date! School physicals are also required for all 8th grade students who are participating in any sport.

School Physical forms/NSAA Parent Consent forms are available at the Middle School office, High School office or can be found on the school website: www.jccentral.org. Please bring your student's Physical Clearance Form and NSAA Student/Parent Consent Form to the Walk-Through. If you have any questions, please feel free to contact the Middle School @ (402)-864-4181.

Hope to see everyone there!

July ACT Registration

ACT added another testing date for 2018. There is now a testing date in July. Students who want to take the ACT on Saturday, July 14th need to register online at act.org by Friday, June 15th.

College for Teens at Metropolitan Community College

Metropolitan Community College in Omaha is offering various summer College for Teens camps for students to explore various careers for 2-5 days, depending on the camp. They offer camps in culinary arts, fire safety, welding, film, comedy, art, animation, virtual reality, etc. To see the full listing of camps offered, the dates available, and the prices, visit their website by going to <https://www.mccneb.edu/Community-Business/Community-Programs/Continuing-Education/College-for-Teens> and clicking on College For Teens: 2018 Summer Schedule . Some camps fill quickly so if a student is interested in one, they should get signed up as soon as possible.

Code Crush Summit at the University of Nebraska- Omaha

UNO is offering a summit this summer for girls in high school who are really interested in technology, adults working information technology who are interested in learning more about how to diversify their workforce, and educators who want ideas on how to encourage more girls to look into careers in information technology. This will be held on June 12th and 13th. There are 200 spots for this summit, so if you are interested, register as soon as possible. To learn more and register, go to <https://codecrush.unomaha.edu/summit>

EducationQuest's Scholarship Quest

High School students can get a head start on applying for scholarships by visiting the Scholarship Quest site on the EducationQuest website. They can sign up for a Nebraska scholarship search and also see several links where they can search for scholarships at a national level. Remember- the more scholarships you apply for, the more opportunities you have to earn them. If you don't apply for scholarships, you don't have a chance to earn any. Here is the website <https://www.educationquest.org/resources/scholarshipquest/>

Girls Basketball - Summer 2018

The girls basketball team will be busy in June. The team will be participating in the Syracuse Summer League again this year, which is every Wednesday night in June. They will be going to a team camp in Kearney June 9th and 10th. This does not account for all the time they will be spending in the weight room and at open gym.

JCC has participated for many years in the Syracuse Summer League. The girls load into a couple school vans and go to Syracuse to play two games every Wednesday night. This is a good chance for the athletes to have fun together and learn how to play with the incoming Freshman.

The team camp in Kearney will consist of a lot of games. The team will play at least five games over the two days. The more basketball they play the better they will become. The goal is to get a basketball in their hands as much as possible!

The weight room this summer will be open May 31st with the athletes maxing out. The weight room will be available all summer long from 6:00 am till noon. The week of July 2nd is the only week it will be closed. Attending the weight room is a good

FOOD THAT'S IN WHEN SCHOOL IS OUT

Johnson County Central Public Schools is working to make sure that no child, goes hungry when school is closed this summer. Over 50% of children in the Johnson County Central Public Schools receive free or reduced-price meals during the school year, but many of these children do not get enough to eat when school is out. The Summer Food Service Program (SFSP) ensures that low-income children continue to grow and learn during the summer.

The Summer Food Service Program, sponsored by the U.S. Department of Agriculture, is the largest federal resource available for local programs that combine meal time with recreational and educational activities.

Superintendent Jack Moles and School Food Service Director Joann Gaden recognizes the need for the program in the Johnson County Central Public Schools.

"Many of our children who rely on school breakfast and lunch during the school year do not have the energy they need during the summer. That's where we come in, by providing nutritious meals and activities to keep kids nourished and engaged."

"Our responsibility to kids doesn't end when school lets out. Kids who get enough to eat and have safe activities to participate in during the summer are less likely to get into trouble. Our summer meals program is a building block in the community for healthy, happy kids who are ready to learn."

The Summer Food Service Program for Children is a federally funded program operated nationally by the U.S. Department of Agriculture (USDA) and administered by a State Agency. Eligible sponsors such as non-profit organizations, schools and local governments serve nutritious meals free to 18mo to 18 year old children during the summer months. Summer programs are located at approved sites that are either in low-income areas or serve a group of children, most of whom are low-income.

Our Summer Food Service Program for Children will Start, Monday June 4 through July 26. Monday through Thursday (NO FRIDAY'S OR HOLIDAY'S).

We will be serving Breakfast the month of JUNE ONLY.

Breakfast 7:30 to 8:15

Lunch 11:30 to 12:30.

All meals will be served in the Johnson County Central Elementary Auditorium
