SUPERINTENDENT NOTES

by Dr. Galen Boldt

November Superintendent Report

Nebraska weather has smiled upon us with the planting of grass in front of the Cook and Tecumseh sites. We have a beautiful stand of green grass that just looks great, and we are putting plans in place to keep it looking that way and expand the scenery so that we can all be proud of the grounds surrounding our facilities.

Speaking of weather, it is time to get ready for the impending school-cancellation weather that only Nebraska can deal out. We will always try to announce school closings with enough time for you to make arrangement to care for your kids, but it is always a good idea to think about some last-minute arrangements that would work for supervision. Again, we will try to make decisions with time to spare, including decisions on the previous evening of impending weather, but that will not always be possible. We will continue to monitor conditions as they change, so please be prepared for all-day cancellations, late starts, and early dismissals. No matter what the cancellation is, we will announce through the following media outlets: KOLN/KGIN, KNCY, KFAB, KETV, KLKN, KTGL, WOWT, KNZA, and KWBE, as well as our district all-call.

Maybe the prediction of a mild winter will spare us. Anybody know what the Farmer's Almanac says :) ?

VETERAN'S DAY PROGRAMS

We will be hosting our Annual Veterans Day programs at JCC at both the Tecumseh and Cook sites on Friday, November 9. **The High School program will begin at 10:00 a.m.** with the Senior American Government Class doing a presentation. **The program at the Middle School will begin at 10:45 a.m.** Ken Mandl, Johnson County Veteran Service Officer will have a presentation. Both programs are open to the public. An added feature is that we invite all veterans and their spouses to remain after the programs for lunch, courtesy of the school. **If you plan to stay for lunch please call** Daisy Mejia at the Tecumseh site (335-3328) or Julie Damme at the Cook site (864-4181).

NEWS FROM PRINCIPAL RICK LESTER / NURSE LISA KUHL

Dear Parents, Guardians, and Patrons of Johnson County Central School District, Johnson County Central Schools, similar to many other schools in the area, would like to inform our parents, guardians, and patrons about the dangers/risks of Vaping/JUULing. The purpose of the article is to inform you of the issue, give you resources if you feel your student is involved in this kind of behavior, as well as alert you to repercussions if your child engages in vaping on school property. We take this issue very seriously due to the negative health effects vaping can have on our students and we wanted to make parents and guardians aware of the risks around vaping and what these devices might look like.

Vaping, also known as JUULing, has become popular with youth in middle school and high school. Vaping means using an electronic cigarette or other vaping device. It is referred to as vaping because tiny puffs or clouds of vapor are produced when using the devices. E-cigarettes are battery powered and deliver nicotine through a liquid, called e-juice. The liquid turns into a vapor when it is used in these devices. The liquid comes in many different flavors and that is appealing to young people. Youth often believe that the liquid used in vaping only contains water vapor and flavoring, but this is not the truth. It contains nicotine, volatile organic compounds, ultrafine particles, heavy metals (nickel, tin, and lead), flavorings such as Diacetyl which is a chemical linked to serious lung disease, and cancer-causing chemicals. Nicotine is highly addictive, especially to the developing teen brain. What begins as experimentation can easily lead to a lifetime of nicotine addiction. It does not take that long for young people to become addicted to nicotine because:

1. E-Cigarettes provide nicotine in doses as large as, or larger than, regular cigarettes do.
2. Children and youth become addicted to nicotine much faster than adults.
3. Nicotine has more harmful effects on the developing adolescent brain, making it worse for kids than adults.
4. Nicotine is thought to be a social and biological “gateway” for the use of other substances, like initiating combustible cigarette use, alcohol, and other drugs.

Many types of E-cigarettes are available, but one popular brand is JUUL. JUUL is becoming more prevalent with youth in middle school and high school because of its small size. It looks like a USB device. When using the JUUL, it is often referred to as JUULing.

These are just several of the different types of E-cigarettes. The first one shown is the JUUL. As you can see, it looks just like a USB device.

It is important to talk with your kids about the dangers of vaping. It is important to learn about the different shapes and types of E-Cigarettes and the risks of all forms of E-Cigarette/Tobacco use for young people. It is important to talk to your children about the risks to young people that occur with all types of tobacco usage. Here are two resources that you can use to talk to your kids about vaping. It is the Surgeon General’s 2016 report on E-Cigarette use, and their tip sheet for parents. If you feel your child has already developed an addiction to nicotine, we suggest you reach out to your healthcare provider.

<https://www.cdc.gov/tobacco/data-statistics/sgr/e-cigarettes/index.htm>

https://e-cigarettes.surgeongeneral.gov/documents/SGR_ECig_ParentTipsheet_508.pdf

Did you know that underage use of E-cigarettes of all kinds is illegal? All states prohibit the sale, purchase, or use of E-cigarettes or liquid nicotine containers by all minors (under the age of 18). At JCC, we prohibit that use of any tobacco product on our school grounds. Our students are subject to disciplinary actions if they are found to possess or are using tobacco products on JCC School grounds.

We hope you find this article informative and understand our concerns about this potentially harmful issues. Our goal is to partner with parents to help support our students in making positive decisions for themselves and the high school community.

Thank you for your continued support of our school system.

MIDDLE SCHOOL & ATHLETIC NEWS

BY RICH BACON

The first quarter ended on Thursday, October 18th and Parent-Teacher Conferences were held on Wednesday, October 24th. If you were unable to attend Parent-Teacher Conferences report cards for middle school students were sent home with your child. If the report card hasn't made it home yet, talk to your child. If that doesn't produce the report card, you may contact the school. Please take an interest in your child's academic performance on a daily basis, talk to your child about school, and praise your child when they do well on a particular academic task. Sometimes this small effort will make a huge difference in a child's academic success. Parental involvement is one of the main ingredients to academic success.

On Monday, November 5th, 13 middle school students from Johnson County Central Schools will participate in the ECNC Honor Choir at Freeman High School. Johnson County Central students who earned an opportunity to be a part of this Honor Choir include Chayce Oenbring, Kimmy Orozco, Sunnie Rother, Bailee Sterup, Erika Cabrales, Mia Castor, Anzel duPrez, Dani Lueders, Jacob Graham, Hayden Huskey, Wyatt Ludemann, Keven Silos and Tanner Woods. The concert showcasing the high school and middle school honor choirs begins at 7:00 at the high school in Auburn.

The Junior High falls sports teams have concluded their seasons. The fall sports season was highlighted by a runner-up finish at the Louisville Invitational for our volleyball A-team and Hayden Huskey's 9th place finish at the ECNC Cross Country Meet. The football, volleyball and cross country teams all gave outstanding effort and worked hard to improve their skills throughout the season and should be commended for their efforts. Outstanding job to the girls and boys who competed for the Thunderbirds this fall, as well as, Football Coaches Scheil and Damme, Volleyball Coaches Hunzeker, Fricke & Straka and Cross Country Coaches Weber and Huskey. The boys' basketball team has begun practice, with 19 boys participating with games beginning on November 20th.

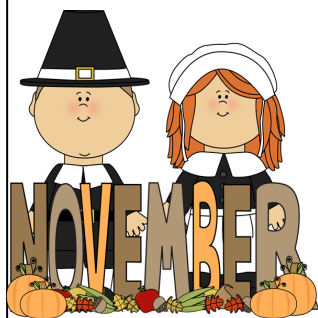

Congratulations to Erika Cruz for qualifying for the State Golf Championship in North Platte. Erika qualified for the state meet with a 7th place finish at the Class C-1 District held at Hidden Valley Golf Course in Lincoln. Congratulations to Ashlei McDonald for qualifying for the State Cross Country Championship in Kearney where she earned a 10th place finish. Ashlei went to Kearney as the Class D District Champion with one of the top times in the state. Great job Erika, Ashlei and Coaches. Congratulations to the following students who were elected to the Middle School Student Council: Anzel duPrez, Kimmy Orozco, Keiry Najera, Brandon Speckmann, Aiden Weber, Sunnie Rother, Ava Klein, Maya Straka, Avery Houseman, Kali Drake and Keegan Jones.

A special thank you goes out to Tom Dieckgrafe and Jason Brandt of the Cook Volunteer Fire Department for speaking to the Preschool and 4th and 5th grades about fire safety during Fire Prevention Week.

Loving The Process

Almost every Thursday for the past two years, after the football team's walk-through practice, Josh Bailey shares a quote of inspiration for his teammates. This is a moment that all of us have come to look forward to.

The week of our home game against Malcolm, Josh shared a quote by Inky Johnson that I am all too familiar with: "Fall in love with the process." (If you're not familiar with Inky, I highly recommend listening to some of his wisdom.) Some of our athletes seemed confused by this quote and even wondered aloud what Josh and Inky were talking about.

"The process" is how we get to our goals, and if we don't love the process, we'll never reach our goals. Everyone loves rewards and recognition, but not everyone loves what it takes to get those rewards; the process.

The process can be a number of things. It can be the sacrifice of time, the physical strain and pushing the limits of the cardiovascular system that goes into athletic training. It can be the note taking, the question asking and the hours spent studying for a test. It can be the emotional strain (and drain) of sticking to your words and consequences when parenting. The point is that "the process" is usually the *hard* part. Just buying books for your children isn't enough. You have to invest the time into reading with them. Just showing up to practice isn't enough. You have to work hard and learn. Just showing up to school isn't enough. You have to invest your attentions, put forth best efforts and be ready to fail forward. (Failing forward is knowing that our failures lead to improvements, which lead to success.)

And in many instances, putting that time and effort into practice time and school time alone won't get us to the levels we want. It will be the process of investing personal time into studying, working and training that will truly make one exceptional.

So, now's the tough question. How do we get our children to "love the process"? It starts with us having clear expectations, communicating clearly with our children, investing our own time, teaching our children there will be failures and that they need to be teachable and coachable. And, they will need our constant support. Start young with play, fun and educationally enriching activities.

Cold Weather is Here!

As temperatures continue to drop, please make sure your child has appropriate cold weather clothing. It is a good idea to have layers as the temperature from morning to afternoon recesses can vary significantly.

If possible we like to get the students outside for recess to get some fresh air. However, there will be times we feel it is safer to remain indoors.

When we will NOT have recess outside:

- Moisture in the air.
- Playground not clear of snow.
- Wind chill & temperatures are too low for safe play.

September Thunderbirds of the Month

Kindergarten (L to R) - Ada Goodrich, Carter Allen, Eleanor Burgett, Presley Juilfs, Kali Smail, Kelly Kongmanyong, Lucy Rademacher

1st Grade (L to R) - Courtney Oltrogge, Lydia Bilslend, Emma Othmer, Jamison Bacon, Aedan Gordon, Brynn Weber, Lila Britt, Gabriel Cabrales
Not Pictured: Mason Plock-Sisoutho

2nd Grade (L to R) - Janel Leyva, Elliott Brommer, Chloe Sedersten, Lucy Hippen, Jackson Gottula

3rd Grade (L to R) - Meghan Kilmer, Sofia Schmid, Wesley Schmid, Anthony Brooks, Sofia Golda, Alex Thippavong, Anthony Orozco, Riley Wellensiek

4th/5th Grade (back row L to R) - Amelia Britt, Madison VanLaningham, Elie Bstandig-Rowland, Molly Weber, Trever Bohling, Mario Lara, Ricardo Castor, Kaiden Dorn, Brayden Beethe
(front row L to R) - Catherine Wendt, Harlee Hardesty, Charlyn Bobadilla

Vocal Music - Mr. Doran

It's hard to believe that Christmas time is upon us! Our students have been rehearsing hard for Pie Night, the Conference Honor Choir, and our seasonal performances. We have 45 total singers in this year's high school choir: 14 Sopranos, 15 Altos, 7 Tenors, & 9 Basses. They can be broken down into the following grade levels: 11 Seniors, 11 Juniors, 10 Sophomores, & 13 Freshmen.

The singers have elected their peers into leadership positions within the choir and this year's officers include: President – Simon Rother, Vice President – Brady Clements, Treasurer – Vanessa Jimenez, Secretary – Abbey Elliott, and Reporter – Katelyn Alexander.

Congratulations to our officers!

Students selected for our ECNC honor choir (East Central Nebraska Conference) to be held in Auburn on Monday, November 5: High school: Soprano – Jenifer Acosta, Jennifer Castor Cruz, & Vanessa Jimenez; Alto - Haley Beethe, Morgan Moran, Hayley Neemann, & Emma Walters; Tenor – Logan Barras, Jonathon Duncan, Manuel Ramirez, Simon Rother, & Andruw Stafford; Bass – Andrew Beethe, Uriel Cabrales, & Gabe DeFreece. Alternates: Soprano – Cheshire Burger; Alto – Kylie Kleespies; Bass – Brady Clements.

Middle school: Soprano – Chayce Oenbring, Kimberly Orozco, Sunnie Rother, & Bailee Sterup; Alto – Erika Cabrales, Mia Castor, Anzel duPreez, & Dani Lueders; Baritone – Jacob Graham, Hayden Huskey, Wyatt Ludemann, Keven Silos, & Tanner Woods.

Alternates: Soprano – Dani Andersen, Jailine Manriquez; Alto – Kinze Gordon, Maya Straka; Baritone – Cameron Daniels, & Brandyn VanLaningham.

Students who auditioned for the Nebraska All-State Honor Choir to be held in Lincoln Wednesday-Friday, November 14-16: Abbey Elliott, Vanessa Jimenez, Simon Rother, & Emma Walters. They worked very hard on learning their music up to the October 5 audition and we are happy to announce that Simon Rother was selected as a Tenor 2 this year!

Our annual candle sales took place October 15 – 26. Proceeds will be used to purchase a digital keyboard for the high school. The recordable keyboard will match the one at the middle school and enable the directors to interchange recorded songs by using a flash drive. Thank you to all who have contributed toward our music student's success. We are an active music department and your assistance is greatly appreciated!

November/December performances will include the following:

- ECNC Honor Choir Concert – Monday, November 5, 7:00 PM in Auburn
- Nebraska All-State Concert – Friday, November 16, 4:30 PM in Lincoln
- 4-8 Grade Concerts and Baked Potato feed – Friday, December 7, in Cook
 - Serving Baked Potatoes @ 5:30 PM & Concerts @ 7:00 PM
- K-3 Elementary Program – Monday, December 17 @ 6:30 PM in Tecumseh
- High School Concert – Monday, December 17 in Tecumseh (after the K-3 program).
- High School Vocal Christmas Caroling (open to community) TBA

NOTES FROM THE HIGH SCHOOL COUNSELOR

Ms. Olivia Reuter

Seniors: Apply for a Susan Buffett Foundation Scholarship Starting on November 1st

Apply for a Susan Buffett Foundation Scholarship if you are eligible. The online application for this program is open from November 1st to February 1st. As part of the application, students must attach a seven-semester high school transcript. Seniors can request their seven-semester transcript from me starting on January 7th. They can complete all other parts of the application before then. For more information and to apply, visit <https://buffettscholarships.org/>. To be eligible for a scholarship from The Susan T. Buffett Foundation, a student must:

- Be a resident of Nebraska
 - ◆ Residency is determined by the institution where you enroll
- Graduate from a Nebraska high school or earn a Nebraska GED
- Achieve at least a 2.5 cumulative unweighted GPA in high school
 - ◆ 2.5 on a 4 point scale
 - ◆ 83 on a 100 point scale
- Be a first-time freshman when entering college
- Students obtaining dual enrollment credits in high school are still eligible to apply
 - ◆ **Nebraska Community Colleges** - CCC, MCC, MPCC, NECC, SCC, or WNCC;
 - ◆ **Nebraska State College System** - Chadron State, Peru State, Wayne State; or
 - ◆ **University of Nebraska** - NCTA, UNK, UNL, UNMC, or UNO
- Be in need of financial assistance in order to attend school
 - ◆ **Note:** Students do not need to be Pell Grant eligible to qualify
 - ◆ Students must have an Expected Family Contribution (EFC) below \$10,000

Seniors: Complete the FAFSA as Soon as Possible

- First, create an FSA ID for you and one for a parent at fsaid.ed.gov. You'll need it to access and sign the FAFSA. Click here for instructions.
- Complete the FAFSA at fafsa.gov. You may also complete it via the new myStudentAid app for iOS and Android.
- For free help with the FAFSA, see FAFSA Tools at EducationQuest.org or call EducationQuest to make an appointment: Omaha – (888) 357-6300 or Lincoln – (800) 303-3745

RHOP, KHOP, and RLOP at Wayne State, Chadron State, and Peru State Colleges and the University of Nebraska- Kearney

Students from high schools in rural areas who are interested in a future career in a medical field should look into applying for the RHOP program at Peru State, Wayne State, or Chadron State or the KHOP program at the University of Nebraska- Kearney. This program guarantees students who meet all requirements of the program that they will have a seat save for them at UNMC after they complete their undergraduate work. Students interested in a future career in law should look into applying for the RLOP (Rural Law Opportunities Program) at Wayne State, UNK, or Chadron State. Completion of this program and all requirements guarantee students a spot in the UNL Law School after they complete their undergraduate work. To learn more about RHOP and apply, visit <https://www.unmc.edu/student-services/rse/enrichment/rural-health-enrichment-programs/rhop/index.html>. To learn more about KHOP and apply, visit http://www.unk.edu/academics/health_sciences/scholarshipprograms.php. To learn more about RLOP and apply, visit <http://law.unl.edu/RLOP/>. Deadlines to apply vary, however most applications are due by November 15, 2018.

Meet the JCC Class of 2019

Here are five more profiles of students in JCC's senior class of 2019

Connor Bartels

Connor Christopher Bartels is the son of Leroy and Lisa Bartels of Tecumseh. His favorite high school classes have been all of his science and agriculture classes and his school activities have been FFA, choir, National Honor Society, basketball, CLASS leadership, and quiz bowl. During his high school years, he has learned how important responsibility is. As Connor sees it, the best part about being a senior is that a lot of classes you take your senior year have something to do with what you are interested in. Connor's advice to younger students is, "Focus on the things you are good at." After high school, Connor plans to start at SCC Beatrice and then transfer on to the University of Nebraska- Lincoln. Ten years from now, he sees himself as an agriculture teacher and FFA leader, living and working somewhere in southeast Nebraska.

Haley Beethe

Haley Marie Beethe is the daughter of Harlan and Lisa Beethe. Haley's activities in high school have been volleyball, basketball, track, speech, one-act, musical, and FBLA. Her favorite high school class is Chemistry II and her favorite school lunch is taco salad. After high school, Haley plans to attend Peru State College and in ten years she sees herself living in Colorado or Washington, working as a science teacher and coach. To Haley, the best thing about being a senior is the excitement about graduating. The most important things that she has learned during high school is to keep pushing through no matter what happens and that everything is worth the time and effort you put into it. Her advice for younger students is, "Respect everyone and be as kind as possible. You have to spend every day with the people in your class and school so try to get along."

Abbey Elliott

Abbey Rose Elliott lives with Brandon and Mindy Soderstrom in Tecumseh. Her favorite high school classes are all English and Science classes. Her favorite school lunch is pizza and her school activities are cheerleading and FBLA. After high school, she plans to go to college and major in education. According to Abbey, the best thing about being a senior is being with her friends and the overall experience of being a senior in high school. The most important thing she has learned during her high school years is that time flies by fast and that after awhile you just want time to slow down. She knows how important it is to enjoy every moment of high school. Abbey's advice to seniors is the following, "Enjoy high school, get involved in activities and don't worry about being popular." In ten years, Abbey sees herself working in education, helping children with disabilities and living in either Nebraska or Kansas.

Alysa Kapke

Alysa Michele Kapke is the daughter of Amy and Brian Kapke of Tecumseh. She has two siblings, Ashleigh (20) and Ryon (12). Her activities and sports at JCC have been FFA, FBLA, and cheerleading and her favorite school lunch is the popcorn chicken bowl. Her favorite class is art because she likes to be creative and to learn about the different art movements. She sees the best part about being a senior is that she knows that this is her last year of high school. The most important things that Alysa has learned in high school is the importance of keeping grades high and studying for tests that count a lot towards your grade. Her advice to students who just started high school is, "Keep a pair of headphones and some food in your locker." In the future, Alysa would like to go to college to become a physical therapist. She plans to start at Southeast Community College and continue on from there. In ten years, she sees herself working as a physical therapist somewhere in Lincoln or Omaha.

Miguel Duarte

Miguel Angel Duarte is the son of Jose and Maria Duarte of Tecumseh. He has two siblings, Juan (24) and Ruby (12). His favorite high school class is choir and his favorite school lunch is the popcorn chicken bowl. He participated in football his junior year. He plans to enter into an automotive program at SCC Milford and in ten years, he sees himself working in a car shop and selling cars for a living. Miguel says the best part about being a senior is being able to become a leader. The most important things that he has learned during his high school years are to stay positive and to stay away from drama. His advice to younger students is, "Enjoy your high school years and make them fun."

Title 1 Annual Meeting and Pumpkin Night

On Friday, October 12, 2018 JCCentral held its annual meeting and pumpkin decorating night. Parents and students were invited to attend the annual meeting held in the high school cafeteria to find out details about the Title 1 Program offered at the school from Grades K through 8. Refreshments of hot dogs, chips, and pop were enjoyed before the annual meeting began.

Students, along with their parents, chose a pumpkin to decorate and take home. Each student chose the artistic decorations they wanted to make their pumpkin special and appealing to them. During the pumpkin fun, both students' and parents' hands were stamped to allow them free access to that evening's football game.
