## Remembering Rich

**1964-2025**

To many, he was Mr. Bacon, or Coach Bacon; Social Studies teacher, track coach, basketball coach, football coach, activities director and principal. To others he was Rich or also affectionately known as “Bac”; colleague, mentor and friend. To a very few he was a brother, uncle, son-in-law, dad and husband. It is impossible to summarize onto one page of our newsletter who he was and how much Rich meant to us. His sudden departure was a shock that seems unreal to many of us even to this day.

He was our “go to” guy for any rules and regulations in the athletic arena, especially for track & field and basketball. Rich excelled at golf, something he wouldn’t admit, and on a scramble team filled with amateurs remained humble, patient and encouraging. He knew how to make some of the best concession stand popcorn. He was a calm source of wisdom, reason and advice. Rich was a unique leader with a subtle, witty humor. He allowed his team a voice and the opportunity to lead. He knew what it meant to be a selfless, humble part of a team.

Rich served the Nemaha Valley and Johnson County Central School Districts for 36 years. The last 18 years he was the Cook Site Principal, working alongside his wife Marsha Bacon who is the Cook Site Counselor. The two could often be found together greeting students at the doorway, or seeing them out the door at the end of the day. Together they served JCC students with genuine care and compassion.

Their sons, Harrison (sophomore) and Jamison (7th grade) attend the JCC district as well. Rich’s family, being a husband and father, was his greatest love.

We will miss you Rich.

# JCC School Board News

- The school board met with representatives from Boyd Jones (Construction Manager at Risk), DA Davidson (Financial Advisers), Clark & Enersen (Architects) and Mr. Russ Koch (Facilities Adviser) on Wednesday, February 24 to start considering a construction bond project.
- Mr. Rother has been in communications to discuss the acquisition or leasing of the former Dollar General building in Tecumseh as a potential wrestling facility.
- Several new hires were approved: Mr. Justin Damme (High School Principal), Dr. Laura Rademacher (Director of Student Services/SPED), Ms. Zadie Plager (3rd Grade), Mrs. Carroll Segrist (High School Spanish).
- Mr. Rother and the board have discussed adding an elementary principal and making the Activities Director a full time administrative position, however these positions will be dependent on the budget.
- The board discussed investing in more upgrades to the facilities to include: re-sodding and building up the crown on the competition football field, replacing the basketball hoops on the North side of the high school gym, resurfacing the track, sanding and resurfacing the high school gym, upgrading the shot put throwing area, replacing some of the broken concrete and upgrading the kitchen hood vents in the kitchens.
- The kitchen hoods are quoted at \$100,000 to \$125,000 each. We are currently seeking additional quotes. The hoods must have a fire suppression system, proper venting and communicate with the school's fire alarm system.
- The Tecumseh Site HVAC systems are also a topic of discussion as they will need to be upgraded as the freon used in our current system will no longer be available in coming years.

# Greetings Thunderbird family!

Winter is almost over! With that comes the end of the winter sports season and the beginning of spring sports.

At the writing of this letter, the girls have finished up their season and the boys are hosting Auburn tonight for their senior night. The girls ended their season in West Point getting beat by Yutan. The girls finished the season 15-9, which is their best mark since the 2008-2009 season and the 15 wins is the third best in school history.

Like I mentioned above, the boys will finish up the regular season with Auburn and then head to Ashland-Greenwood for a first round match up with Bishop Neumann. Thank you to the seniors (Nolan, Keegan, Alex, Jackson, and Gabe) for all the hard work they have put in over the last four years.

The wrestling team had a successful postseason with sending Logan Topp, Erik Prado, Haylee Trew, Alejandra Reyes, and Jocelyn Prado to the state meet in Omaha. The boys are currently still wrestling and the girls finished up on Wednesday. Haylee, Alejandra, and Jocelyn all made the finals. Haylee and Alejandra finished runner up and Jocelyn finished her career as a four time finalist and three time state champion. She ended her career on a 114 match win streak! Congratulations girls and way to represent JCC!

Last but not least, congratulations to Selena Conley for qualifying in the Class B State Bowling Championships!

We will have more winter results and awards in next month's article.

Spring practice is quickly approaching with a start date of Monday, March 3rd. Our athletes will have the chance to participate in these opportunities: Boys golf, boys and girls track, and boys and girls soccer (co-op with Nebraska City). A new co-op we have added this year is baseball. The boys will co-op with Nebraska City, Johnson-Brock, and Nebraska City Lourdes. This will take place in Nebraska City.

Here is a list of the coaches for these activities:

**High School Track** - *Angela Huskey, Nick Weber, Reid Genuchi, Justin Damme*

**Junior High Track** - *Cody Franklin, Brad Gabriel, Madison Moran*

**Boys Golf** - *Benjamin Swanson, Russ Waring*

\*\*If you see any of these coaches please thank them for the time they put in with our student-athletes.

Go Thunderbirds!

Garrett Collin

## **NEWS FROM PRINCIPAL RICK LESTER**

Spring is just around the corner...which means Prom is near! JCC High School Jr. & Sr. Prom is scheduled for Saturday, March 22, 2025 at Hartman's Cattle Company. Pre-Prom meal is scheduled for 6:30 p.m. and the dance will start at 8:45 p.m. until 11:00 p.m. then Post-Prom will leave for Omaha Sports and Games at 11:30 p.m.

To help ensure that we have a safe, drug and alcohol free Prom and Post Prom, the Johnson County Sheriff's department will be administering breathalyzer tests before the Pre-Prom meal and before students attend Post Prom. Prom participants will also have a ticket of admission form to sign.

A very important date you need to mark on your calendar is Tuesday, March 25, 2025. All juniors in the State of Nebraska will be required to take the ACT test on this date. Our JCC juniors will test at the high school - and around the first week of March, high school counselor Mrs. Reuter will be mailing out a letter with the agenda for this day to all junior parents. On this day we do have plans for the rest of the high school students - our seniors and freshmen will be going on college visits or career/industry tours, and our sophomores will be taking the Pre-ACT test.

## **NOTES FROM THE HIGH SCHOOL COUNSELOR**

### **Mrs. Olivia Reuter**

#### **Johnson County Central Foundation Scholarship Applications- Due March 21st**

The Johnson County Central Foundation is offering nine scholarships to JCC seniors this year. To apply, seniors must fill out the application that was emailed to them. Seniors will need to follow the instructions on the application and also have two references, one from someone in the school, and one from someone outside the school (an employer, community member, church pastor, etc.) There will be three \$2000 four-year college/university scholarships awarded, three \$1000 two-year college scholarships available, and three \$1000 trade school scholarships awarded. All scholarship applications must be given to Mrs. Reuter by March 21<sup>st</sup>.

#### **Nebraska's New Universal FAFSA Requirement- All Seniors in the Class of 2025 Must Fill Out the FAFSA**

Nebraska law now requires all public high school students to complete and submit a FAFSA (or actively opt-out) as a graduation requirement starting with the graduating class of 2025. This type of requirement is also referred to as a Universal FAFSA requirement. FAFSA became a graduation requirement with the passage of revised statute 79-729 in 2023. This legislation applies to seniors who will graduate in 2025 and beyond. The Nebraska legislature determined that the FAFSA is an excellent opportunity to learn of financial aid they may receive, to encourage postsecondary education, and to make more informed college-going decisions. If students and their parents decide that filling out the FAFSA is not right for them, for any reason, there is a waiver form available in both English and Spanish. Students who do not fill out the FAFSA must get a waiver form from Mrs. Reuter, complete the form with their parents, and turn it into Mrs. Reuter by May 1st.

#### **Meet JCC's Class of 2025**

In each newsletter, I'll be featuring a few of our JCC seniors. This month, I'm featuring Salena, Jaxon, Wes, and Gabe.

#### **Salena Conley**

Salena Conley is the daughter of Roy and Joy Conley of Tecumseh. She has one brother, Devin, who is 21. During high school, Salena has been involved in HOSA, FBLA, academic decathlon, art club, Skills USA, BUDS, unified bowling, NHS, and one act play/ play production crew. Salena's favorite high school classes have been her art classes because she can express herself creatively. Her most difficult class was advanced algebra because it was hard to understand as a freshman. Her favorite school lunch is the popcorn chicken bowl. Outside of school, Salena likes to paint, draw, bake and hang out with her friends. Her favorite band is "The Weeknd." After high school, Salena plans to attend the University of Nebraska- Omaha to major in architectural engineering. In ten years, Salena hopes to live in or near Omaha or in another large city in another state working in an architectural career. By that time, she hopes to be married and possibly have kids, but she will definitely have a pet.

## Jaxon Zimmerman

Jaxon Lee Zimmerman is the son of Cyndi Zimmerman and Paul Hassenfeldt. He lives in Tecumseh and has three older siblings- Mark, Paul, and Jana. His favorite high school class is JAG because it's easy and his most challenging high school classes have been his English classes because he doesn't understand them. Jaxon has been involved in JAG, football, and choir in high school. He has also been a student manager for basketball. Outside of school, Jaxon likes to play video games. Jaxon is not planning to go to college. His career interests include being either a sports analyst or a football coach. In ten years, Jaxon plans to live in either North Carolina or Arizona, working in a career that involves sports.

## Wesley Buchanan

Wesley Buchanan is the son of Amber and Kevin Buchanan of Tecumseh. He has three siblings- Sam (22), Angel (15), and Isaac (12). His favorite class is team games because it is easy. His most challenging class is chemistry because it involves a lot of math. For school activities, Wes has been involved in Striv broadcasting. His favorite school lunch is the popcorn chicken bowl. Outside of school, Wes likes to hunt and fish. After he graduates, Wes plans to attend SCC Milford for their diesel tech program. For music, he likes to listen to Zach Bryan. In ten years, Wes sees himself married with a couple of kids, and living on a ranch somewhere in Nebraska and working as a diesel tech.

## Gabriel Burki

Gabriel Alexander Burki is the son of Lukas and Amanda Burki. He lives just outside of Tecumseh. He has three siblings- Zeke (16), Abby (15), and Joey (11). His favorite classes in high school were all of his shop classes because he likes to build things. According to Gabe, his most challenging class was "advanced algebra because I was doubled up in math that year with geometry at the time, and it was extremely difficult to understand at times." During high school, Gabe has been involved in football, basketball, track, FFA, and FBLA. His favorite school lunch is the popcorn chicken bowl. Outside of school, Gabe likes to golf, hunt, and fish, and his favorite tv show is "The Office." After high school, Gabe will attend the University of Nebraska-Lincoln. He will probably major in nutrition and health sciences. His career goal is to become an athletic trainer because he likes being around sports. In ten years, Gabe says,

"I hope to be out of college. I hope to be an athletic trainer for a major sports team, hopefully an NFL team. I will live in the state where I work and either in that city or a small one close to it. If I had a choice, I'd pick to work for the Denver Broncos so I could live up in mountains and enjoy the scenery that you cannot see in Nebraska."

Dear Family,

We know you are your child's first and most important teacher, and we would love to join you in the education of your young learner. The purpose of the Johnson County Central Preschool Program is to promote the social, emotional, intellectual, language, physical, and aesthetic development and learning for the children served and to promote family development and support. The preschool schedule encompasses discovery through active involvement. Activities, materials, and equipment reflect and respect the diversity of race and multiculturalism and the physical and mental abilities of all children. It is preferred that your child be fully toilet trained before entering the program.

The program will be available to children of the following ages:

- Children who are 3 years of age on or before July 31 of the enrollment year;
- Children who are 4 years of age (on or before July 31 of the enrollment year) at the start of the enrollment year; and
- Children who are 5 years of age at the start of the enrollment year, so long as they do not turn 6 years of age prior to January 1 of that year (subject to the participation limitation below).

All enrollment is subject to capacity limitations and established enrollment priorities. Three-year-old children will only be offered half-day attendance. Four-year-old children will be offered full-day or half-day attendance. The full-day option will be filled on a first come, first served basis.

Five-Year-Old Participation - Participation of 5-year-old students who will not turn 6 prior to January 1 of the enrollment year will be further limited to those students who have met the score criteria per district policy on the Brigance Early Childhood Screen III (3-5 years).

All preschool programming will be housed at the Tecumseh site. Transportation will be provided to and from licensed child care providers at no cost. Shuttle services will run between the Tecumseh site and the Cook site. There is no tuition fee for preschool. However, breakfast and/or lunch fees will be charged when applicable.

If interested in the preschool program, please complete the electronic application which will be available beginning February 1, 2025 on the school website: [www.jccentral.org](http://www.jccentral.org). If you have any questions, would like to schedule a classroom visit, or would prefer a paper application, please call the elementary office: 402-335-3320.

\*All preschool children, regardless of their abilities, disabilities, or the social, linguistic, or economic diversity of the children's families are eligible to be served in our preschool program.

Girls Team:

Salena Conley—Placed 3rd at Districts (STATE Qualifier)

The girls team had a 5 and 3 record for the season. They had 4 returning members and a lot of bowling experience on this team. They put up good scores at districts as a team, but didn't make it to the round of bakers play. Our 3 seniors will be greatly missed next year. Proud of this group of girls as they had an excellent season.

From left: Coach Schuster, Salena Conley (12), Maggie Niebrugge (12), Theresa Doiel (11) Madison Jansen (12), Aurora Stephens (10th) Annamarie Russell (11), Coach Laue.

Boys Bowling Team

Seated—Chase Harrifeld (9)

From left standing— Rodrigo Agapito (9), Sylus Desmond (9), Mario Lara (10), Dawson Fisher (9)

Proud of this group as they increased their pin total each meet and ended up winning the last regular season meet against Omaha Christian Academy. Mario was the only returning member of this team. They put up a good score at districts but didn't break the finals.

### This is the ECNC Unified Bowling Champions
