

Superintendent Monthly Update

by **Jon Rother**. April 2025

Building Project Update

JCC's School Board, administration, Coady Pruett (JCC legal counsel from KSB School Law) and Russ Koch (Facilities Advisor) met with representative from Boyd-Jones (Contracted Construction Manager At-Risk), Clark & Enersen (Contracted Architect & Engineering Firm) and DA Davidson (Financial Advisors) to discuss options for a future bonded building project. The board members scrutinized the cost of materials for construction as they seem very high. Tim Ripp of Clark & Enerson and Mark Pfister of Boyd Jones explained that the materials cost more than residential materials because they are considered "code" for school construction. This led into further discussion and investigation into the difference between "standard" materials and "code" materials.

Taking one small example, we discussed door hardware (door knobs & locking mechanisms). Commercial door hardware used in public schools have requirements in the following categories:

- Durability & Grade (Grade 1 or 2 Commercial)
- National Fire Protection Association (NFPA) Compliance Standards
- International Building Code Standards
- Americans with Disabilities Act Compliance
- Security & Lockdown Capabilities
- Vandal Resistance & Tamper Proofing
- Customization & Key Control (e.g. prevention of unauthorized duplication)
- Warranty & Longevity
- Code Compliance & Inspections
- Installation Complexity (e.g. integrate with fire alarms, security systems, and automatic door operators)

The cost difference between those that meet the requirements for school construction and those used for residential purposes can be substantial. When all the elements are included (locks, hinges, closers, exit devices such as panic bars, handles & knobs) a single commercial door hardware configuration can range from \$600-\$2,000 per door versus residential that can range from \$115-\$285 per door. This does not include the price of the door itself.

Materials used in schools are chosen due to their level of durability, enhanced security features, compliance with safety and accessibility standards (e.g. ADA, NFPA) and the ability to withstand high-volume and high-traffic environments. Investing in higher-quality hardware ensures longevity and reduces maintenance and replacement costs over time.

JCC Mission Statement:
Journey together...
Creating opportunities...
Committed to excellence!

The team also discussed the location of any new construction. The options are the current building site in Tecumseh, another site on property the school already owns, the option to purchase property located north of the current football field (52 acres) or a site in the country.

	PROS	CONS
Current Building Site	<ul style="list-style-type: none"> - Don't need to purchase land. - Infrastructure (water, electricity, sewer, etc.) - Some of the facilities are already existing. 	<ul style="list-style-type: none"> - Construction disrupts school. - Landlocked in a residential area. - Some facilities are still old.
JCC TEC Site Property - North of Lincoln St. extending North to the Town Branch & East to Santee Blvd. (see picture below.)	<ul style="list-style-type: none"> - Construction would not interfere with school. - All new facilities. - Don't need to purchase land. 	<ul style="list-style-type: none"> - Best spot to accommodate new construction is the football field. - Would need to build a new field and track.
Option Purchase Site - 52 acres North of the current football field.	<ul style="list-style-type: none"> - All new facilities. - Dedicated school access/roads. - Room for additions/expansion. 	<ul style="list-style-type: none"> - Cost to purchase land. - Dirt work is an added cost (est. \$1 million). - Building on a grade/hill.
Country	<ul style="list-style-type: none"> - Possible flat ground. - Room for additions/expansion. - Residential traffic is not an issue. 	<ul style="list-style-type: none"> - No current purchase agreements or offers. - ALL students would need transportation to/from school. - Infrastructure would need to be completed outside city limits. - Distance from amenities and support (e.g. hospital, law enforcement, fuel, etc.).

Current JCC holdings in Tecumseh

Recently, Kim Wellensiek, Sarah Weber, Jon Schmid and myself visited Minden High School to tour their facilities. The Minden School District held a successful bond nine years ago for \$23 to make upgrades, additions and improvements. We were also given the opportunity to ask questions about why the bond was pursued, how the board engaged with the public preceding the bond, materials used, why they felt the bond was needed and anything they would have done different. As the board continues to explore options for a future building project, further visits to schools who have built new, built additions and/or made improvements will be made.

Should you wish to share your thoughts and concerns, or if you have questions, please feel free to email one of our team members. The Johnson County Central school board and I welcome your thoughts and comments moving forward!

NOTES FROM THE HIGH SCHOOL COUNSELOR

Mrs. Olivia Reuter

Nebraska's New Universal FAFSA Requirement- All Seniors in the Class of 2025 Must Fill Out the FAFSA

If you have a senior in the class of 2025, please make sure that they have filled out a FAFSA. If not, please have them get a waiver form from Mrs. Reuter as soon as possible. Having either a FAFSA done or a waiver form turned in will be part of the senior check out process. Every senior must have done one or the other before they can check out with Mrs. Reuter. Nebraska law now requires all public high school students to complete and submit a FAFSA (or actively opt-out) as a graduation requirement starting with the graduating class of 2025. This type of requirement is also referred to as a Universal FAFSA requirement. FAFSA became a graduation requirement with the passage of revised statute 79-729 in 2023. This legislation applies to seniors who will graduate in 2025 and beyond. The Nebraska legislature determined that the FAFSA is an excellent opportunity to learn of financial aid they may receive, to encourage postsecondary education, and to make more informed college-going decisions. If students and their parents decide that filling out the FAFSA is not right for them, for any reason, there is a waiver form available in both English and Spanish. Students who do not fill out the FAFSA must get a waiver form from Mrs. Reuter, complete the form with their parents, and turn it in as soon as possible.

Meet JCC's Class of 2025

In each newsletter, I'll be featuring a few of our JCC seniors. This month, I'm featuring Alex and Nolan.

Alexander Cruz

Alexander Cruz is the son of Richard and Susan Kirkland. He lives in Tecumseh. His siblings include Leslie-30, Richelle-29, Austin-26, Erika-23, Kyler-16, and Sophie-13. His favorite high school class is English because according to Alex, "It came easy to me and my English teachers were some of my favorite." According to Alex, his most difficult class was, "Advanced algebra, because I took it as a freshman and was not prepared for the work load." Alex's high school activities have included band, basketball, FBLA, FFA, football, track, and JAG. His favorite school lunch is the popcorn chicken bowl. Outside of school, Alex likes to be active and he also likes to play video games. His favorite music artist is Drake, his favorite TV show is The Sopranos, and his favorite movie is Goodfellas. His favorite books are the Percy Jackson books. After high school, he plans to attend Southeast Community College for their business program to

eventually work in a career that involves business or sports management. In ten years, Alex predicts, "Hopefully I'll be happily married, living in the city, and working for something I actually want to do and enjoy for my life."

Amia Andersen

Amia Andersen is the daughter of Ruthie Robertson and Larry Robertson. She lives in Pawnee City. Her siblings include Aaliyah (11), Darius (19), Jaylis (20), Javian (24), Alizeah (27), and Shaya (30). Her favorite high school classes have been her art classes because she loves creating new things and expressing herself through art. Her biggest challenge in high school was, “Trying new things. I’m so used to staying in my comfort zone that I never tried clubs or extra curricular activities until this year. I realized that extra circulars exposed me to new friends and opportunities.” Her high school activities have been FFA, Skills USA, Academic Decathlon, and Volleyball. Her favorite school lunch is the chicken quesadilla. Outside of school, Amia likes to hang out with her friends and paint. Her favorite music artists include Frank Ocean, SZA, and Partynextdoor. Her favorite movie is Coraline. After high school she is planning to attend SCC for two years and then transfer to the University of Nebraska-Lincoln. Her career interests include becoming either a teacher or a wildlife biologist. She loves kids and teaching as much as she loves researching animals and the outdoors. In ten years,

Amia sees herself, probably married, living in Lincoln, Nebraska in her own apartment or house, and doing what she loves every day by working in a career that she truly enjoys.

Nolan Wellensiek

Nolan Wellensiek is the son of Andy and Kim Wellensiek of rural Cook. He has two sisters, Riley, age 14, and Ty, age 13. Nolan has been involved in many activities during his high school years including basketball, football, Legion baseball, track and field, one act, school musical, student council, student government, NHS, FCA, band, and jazz band. His favorite high school class is American Government because of the debates they have in class. His most challenging high school class is Calculus because it requires understanding complex concepts and applying them quickly, which pushes him to think critically and improve his problem-solving skills. His favorite school lunch is the popcorn chicken bowl. Outside of school, Nolan likes to hang out with his friends.

His favorite movies are the Marvel movies and his favorite author is Rick Rordian. After high school, Nolan will attend the University of Nebraska-Lincoln to major in Ag Engineering. The careers that interest him the most right now are row crop farming and possibly continuing his small business, the Big Red Shrimp Company. In ten years, Nolan says, “I hope to have come back home after graduating college. I want to take over my family’s farm. I hope that I will have built a house in the area, and hopefully I’ll be married with a couple of kids.”

NEWS FROM PRINCIPAL RICK LESTER

Our school year is winding down and as we approach the last two months of the school year, I want to congratulate our seniors on all their accomplishments this past year. Success now in academics and extracurricular activities will carry forward to their future endeavors, and I wish the senior class much success as they graduate and move on to the next stage of their life.

I have some important senior dates coming up that parents need to mark on their calendars:

- Wednesday, April 16, 2025 - during study session in the cafeteria I will meet with the seniors to handout check-out sheets. The seniors will have the remaining two weeks to complete their check-out sheets.
- Friday, May 2, 2025 - the last day for seniors (this will be a regular full day of school). Tests and assignments must be done by this date.
- Tuesday, May 6, 2025 - seniors can start to officially check-out. Mr. Lester will check lockers and collect check-out sheets. This needs to be done by the end of the day on Friday, May 9, 2025.
- Tuesday, May 6, 2025 - senior grades are due on the computer by 8:00 a.m. I will inform the Salutatorian and Valedictorian of their status. At graduation rehearsal I will verify and print report cards and also handout cords to seniors with a GPA of 3.85 or higher.
- Wednesday, May 7, 2025 - seniors will have graduation rehearsal at 10:00 a.m. After rehearsal I will have a senior party/lunch at the fairgrounds for all seniors.

As our seniors are preparing to graduate, our 8th grade students are looking to transition into high school. 8th Grade Orientation will take place on Wednesday, May 7, 2025 at 3:15 p.m. These current 8th graders will be divided into small groups and will be escorted on a tour of the high school facilities. They will also visit with the extracurricular activities sponsors and will have an opportunity to ask questions during a refreshment period at the end of the orientation.

Another important date I want to discuss is our JCC Honors Day, which will be held on Thursday, May 1, 2025 at 2:45 p.m. in the high school gym. This program recognizes our students' academic success. All students will be present at this assembly and will be honored for their achievements in the presence of their peers. We invite and encourage all parents to attend this assembly. We understand this is during the work day, but we hope parents will still attempt to be present as their students are being honored. There will be many awards given during this assembly: Honor Roll, Perfect Attendance, Classroom Awards, Military Awards and many others. Please come and help recognize these award recipients.

Let's keep up the good work and end our school year on a high note. Good luck and congrats to all our seniors and have a safe and exciting graduation!

JOHNSON COUNTY CENTRAL MIDDLE SCHOOL

2024-25 JCC MIDDLE SCHOOL 3RD QUARTER HONOR ROLL

6TH GRADE

Brock Carter
Jude Fricke
Ada Goodrich (All A's)
Damien Hinojosa
Presley Juilfs
Kolby Kunzman

Courtney Oltrogge
Emma Othmer
Brynn Weber (All A's)

8TH GRADE

Jorge Andrade
Jackson Gottula (All A's)
Hadley Hartman
Marley Jensen
Diego Martinez
Reese McDonald
Heidi Reyes
Kenna Thomas
TyLynn Wellensiek
Elliott Werner

Honor Roll students have no grade lower than a B.
Honor Roll with distinction is based on student's having all A's.

Mrs. Borrenpohl's Kindergarten News

The 9 students in Mrs. Borrenpohl's Kindergarten Class have been very busy in the beginning of the 2025 new year. We celebrated the 100th day of school on February 20th. The students had a family project that involved decorating a cape to show 100 items of anything they selected. The children also counted collections of 100 items, ate 100 snacks, and wrote their numbers to 100. We went on a scavenger hunt in our classroom to find 100 chocolate kisses with the numbers on them. We collected them all!

JCC Striv Crew Hits SportsCenter Top Ten Plays

JCC Striv Crew at the 2025 Boys State Basketball Tournament (From Left) William Rademacher, Scott Straka, Karen Hunzeker, Phineaus Kuhl, Marcus Scheer, Jacob Nixon, Jonathon DeFreece, & Sylus Desmond

Back in June, the Johnson County Central Striv Crew was recognized as the Top Striv School Score winner for the 2023-24 school year. It was a great moment to have our crew, which is known to be one of the best in the state of Nebraska, earning recognition that is backed by analytics.

The Striv School Scores are calculated based on a variety of analytics such as viewership, engagement, use of tools/resources, etc.

Now in March, the JCC Striv Crew received a totally different honor - one that is really based on luck. Not analytics based. But a matter of our preparation meeting a great opportunity!

A clip from a JCC Striv broadcast was featured on ESPN's SportsCenter Top Ten Plays!

But a little background - since our first year of Striv 10 years ago, we have sent crews to help broadcast the volleyball & basketball state tournaments and football semifinals.

This is an honor awarded to top crews and is one of the ways that our group earns funds for new gear.

This year, the crew broadcasted the Girls D2 Semifinals from the Devaney Center. And covered the Boys B Quarterfinals at Pinnacle Bank Arena. It was in the boys quarterfinals between Norris and Pius that our crew captured one of the all-time great moments in Nebraska State Tournament history.

On the call were JCC sophomore Jon DeFreece and one of our most active community volunteers Scott Straka.

The play was also one of the first times that the officials had to use instant replay to verify if the shot was released before the buzzer. And running the replay system that game was Marcus Scheer.

Just from tweets by JCC Striv, Striv Sports, and MaxPreps accounts, the clip has garnered more than 950,000 views on Twitter. It was picked up by ESPN and ran in the SportsCenter

Top Ten Plays for Thursday -- it was the #1 play of the day!

And not only did the clip finish in the top spot, they also ran it with our audio! You could hear Scott & Jon making the call & reacting to the basket!

The clip also appeared on the Pat McAfee Show on ESPN.

You can watch the clips using the QR codes & links below!

Featuring Norris' last 2 shots:

Kindergarten Round-Up

WHEN: Monday, April 14, 2025
9:00-11:00 a.m.

WHERE: Johnson County Central Elementary Building in Tecumseh.

WHO: Children residing in the Johnson County Central school district who are, or will be, age 5 on or before July 31, 2025.

Individual letters will be sent in April to the parents of all Kindergarten ready students residing in Johnson County Central's school district. If you do not receive a letter, please call the school and let us know that you will be attending the 2025 Kindergarten Round-Up.

If applying for early registration (child will be 5 years old on or after August 1 and on or before October 15), JCC must have received your written request by March 13, 2025.

Greetings Thunderbird Family!

April is finally here and with that comes spring sports! The boy's track team has 28 athletes participating and is coached by Mrs. Angela Huskey. The girls' track team has 21 athletes participating and is coached by Mr. Nick Weber. The track team is also assisted by Mr. Reid Genuchi and Mr. Justin Damme. Junior High track has 25 Boy and 17 Girl athletes participating. They are coached by Mr. Brad Gabriel and Mr. Cody Franklin. They are assisted by Mr. Scott Straka and Miss Madison Moran. Boys golf has 11 golfers out this year and is coached by Mr. Benjamin Swanson and assisted by Mr. Russ Waring. JCC also has 1 girl that is participating in soccer in a co-op with Nebraska City. Lastly, we started a baseball co-op with Nebraska City this spring. We have 3 boys that are on that squad.

To stay up to date with these teams throughout their seasons you can follow them on 'X' (formerly known as Twitter). Give them a follow!

@runjcc
@jccentralgolf

Here are the home events that we are having this spring:

April 7 - Thunderbird Invitational Track Meet (HS)

April 25 - Thunderbird Invitational Track Meet (JH)

May 3 - ECNC Meet (HS)

May 8 - JCC Invitational Golf Meet

May 9 - JCC Invitational Track Meet (HS)

May 15 - District Track Meet

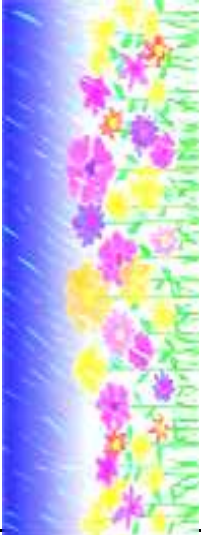

**There have not been many winter awards announced yet. Most awards and nominations are due at the end of March. We should be able to share them in the next article.

POSTAL PATRON

Non-Discrimination

It shall be the policy of Johnson County Central Public Schools to not discriminate on the basis of race, color, religion, national origin, sex, handicap, or age in its educational programs, activities, or employment practices. There is a grievance procedure for discrimination concerns. Inquiries concerning any of the above, or Title IX and Rehabilitation Act Regulations (504) should be directed to the Superintendent of Schools, 358 N 6th Street, Tecumseh, NE 68329; (402)335-3320.

Child find

Children that are birth to 5 years old who are experiencing problems with speech language, cognitive, emotional and/or physical development or have a disability can receive services through Early Childhood Education Services. If interested or in need of more information please contact Rebecca Kling, Special Education Coordinator or Jon Rother, Superintendent at 402-335-3320.
