Children that are birth to 5 years old, who are experiencing problems with speech language, cognitive, emotional, and/or physical development or have a disability can receive services through Early Childhood Education Services. If interested, or in need or more information, please contact Rebecca Kling, Special Education Coordinator or Galen Boldt, Superintendent at 402-335-3320. Web Site: www.jccentral.org

The Perceptual Data Committee needs all parents of students, who attend JCC, to complete the parent survey by November 22, 2019. Please click on the appropriate link based on your student's grade level. If you have multiple children in various buildings, please choose one grade level to complete.

If you already completed a survey at Parent Teacher Conferences, you do not need to do this again. We thank you for your input, this will help our School Improvement process as we look toward the future of JCC.
