Parents, Family, Friends,

If you are planning on having lunch with your student, please call the office by 9:30 and let them know. That way the kitchen is sure to have enough lunches for everybody. Thank You!

Children that are birth to 5 years old, who are experiencing problems with speech language, cognitive, emotional, and/or physical development or have a disability can receive services through Early Childhood Education Services. If interested, or in need of more information, please contact Rebecca Kling, Special Education Coordinator or Galen Boldt, Superintendent at 402-335-3320. Web Site: www.jccentral.org

Census Collection Just Around the Corner

It is important for all of our Johnson County Central residents to understand the importance of an accurate accounting of our people for many reasons, but in particular for the benefit of our school. According to information from the US Census Bureau we all need to understand the importance of accuracy because:

- The Census determines how funds are spent for Early Childhood care, K-12 and higher education
- The Census determines how funds are spent for technology training

At Stake in the 2020 Census are some 300 federal programs that distribute more than \$800 billion in federal dollars to states. A recent analysis by George Washington University found that Nebraska in 2016 received just under \$4 billion through such programs. At those funding levels, each person missed in the 2020 Census costs the state about \$21,000 over the 10 years until the next Census. If the state count is off by one-tenth of a percent, it would cost Nebraska \$400 million over those 10 years.

Information regarding the collection will be coming out in Mid-March about how to respond to the invitation to participate. Please make a conscious decision to provide accurate information to the government that will result in benefits for the students at Johnson County Central.
