Johnson County Central Protocol for Coronavirus Prevention

1. JCC will create letter to send home with students so that parents are aware of best practices to minimize the spread of the virus
2. JCC will make an all-call announcement communicating information about preparedness for dealing with Corona virus.
3. JCC will coordinate with the Southeast Nebraska District Health Department (SEDHD) to discuss reporting, assessing, etc.
4. JCC will emphasize the importance of our students and parents to make the decision to stay home if they are sick
5. Create protocols for all students, staff, and visitors during school hours and at school events.
 - a. Monitor all delivery and cleaning staff for sign-in requirements
 - b. Provide sanitizer pumps or wall dispensers in accessible locations for all students and staff
 - c. All visitors to the buildings must enter through the designated entry points and sign-in with contact information. All visitors will be asked if they have travelled outside the United States. If yes, we will have other questions to ask as recommended by SEDHD to further determine their risk.
 - d. All staff and students must emphasize hand washing as the best line of attack
 - e. Staff will wipe down desks and keyboards at the end of the day, using sterilizer wipes or sprays.
 - f. Community use of the weight room will be temporarily suspended.
 - g. Best practice tips will be provided for all office personnel at the desk to help with calls.
6. JCC will conduct Staff and student meetings to better communicate the need to be vigilant
7. Flyers will be posted in all rooms and convenient access areas with tips for best-practice sanitation.
