

# JCC STRIV

Dear Potential Supporter,

May 11th, 2022

JCC Striv is excited to provide to offer sponsorships for our student live stream crew for **our second straight year!** This is a great opportunity not only to highlight your business to a wide audience, but also support our students with funding for equipment, meals, online resources, and so much more.

Since 2015, the JCC Striv Crew has streamed more than **600** different live events! These include not only varsity sports such as volleyball, football, and girls & boys basketball, but also concerts, graduations, board meetings, and special events. Since July 2021, the crew produced more than 115 hours of live stream content!

Our live streams can be seen directly on the web at [striv.tv/jcc](http://striv.tv/jcc) on computers, mobile devices, and even on TVs via the Striv Roku app. We reach an audience that not only includes JCC families and local communities, but also a variety of communities throughout the state from opposing teams and visiting schools.

The JCC Striv Crew has a long history of doing extra games, covering playoff football games, volleyball & basketball conference tournaments (MUDECAS, ECNC), and has a well-known presence throughout the state.

With your support, the crew can continue to make sure our equipment is up to date and in good condition, replacing worn-out items as needed, and making necessary upgrades as technology improves. We also look forward to using your support to maintain our current subscriptions for our learning opportunities as a proud Striv school member, including graphic & digital asset resources for our class, such as Adobe Creative Cloud software, Envato Elements, & Artlist.io. We also use support like yours to pay for fees to help bring special post-season and other live events which require a broadcast fee.

Please consider supporting one of the best learning opportunities in JCC Striv.

Sincerely,

JCC Striv Crew & Marcus Scheer (Sponsor)
